

Vertellus™

Smart Chemistry. Our Specialty.™

Quality Policy

We are:

- ***Dedicated*** to meeting the applicable requirements of our customers regarding our products and services and to addressing the concerns of other interested parties; and
- ***Committed*** to achieving customer satisfaction through continuous improvement in the quality of our products, processes, and services.

We shall ensure that the necessary environment, training, and tools are available to support this commitment.

Effective July 12, 2018
